

University Bound Graduates

In order to apply to an Ontario university, you must apply through the OUAC (Ontario University Application Centre). The cost is \$150 (2016 Price) and this allows you to apply to 3 programs (\$50 for each additional program). To apply to a university outside Ontario, you must apply to each university individually (i.e. go to their website and apply online).

*****Please book an appointment with a guidance counsellor before December 1st to ensure you are on track to GRADUATE!! You can also pick up your PIN # and apply to university. You will need a credit card. *****
